In addition to mobile phones, policies should explicitly reference emerging technologies such as smart glasses (for example Meta Ray-Ban glasses), smart watches, and any other devices with voice recording, video recording, image-capture, or live-streaming capabilities. As these technologies become more widely accessible, it is essential that school policies clearly set expectations around their use on site, particularly in relation to safeguarding, privacy, and data protection.

In particular, policies should make clear that:

- The unauthorised recording, photographing, or live streaming of pupils, staff, or visitors may present a safeguarding risk
- Any audio or visual recording of identifiable individuals constitutes personal data and must comply with the UK GDPR and Data Protection Act 2018
- Recording without consent, or for purposes other than those authorised by the school, is not permitted
- Misuse of such devices may result in sanctions and, where appropriate, safeguarding or data protection procedures being followed

Policies should also clearly outline expectations for pupils, staff, visitors, and contractors, and include procedures for managing concerns or breaches in line with safeguarding guidance and GDPR requirements.

1. Introduction and aims

At Flanderwell Primary School, our policy aims to:

- Ensure our environment is mobile phone-free by default
- Ensure the safe, responsible and lawful use of mobile phones, where applicable

- Provide clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Risk of theft, loss, or damage
- Appropriate use of technology for learning purposes

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of section 36 of the [Children's Wellbeing and Schools Act 2026](#), and the Department for Education (DfE)'s [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy is [Keeping Children Safe in Education](#).

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are required to actively enforce this policy and challenge any breach of mobile phone restrictions immediately and consistently.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy and reviewing it every year, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

The DfE's mobile phone guidance says that staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day. All schools should be mobile phone-free environments by default: anything other than this should be by exception only

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone during the school day, while children are present / during contact time. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number (01709546771) as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Gemini).

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils. The staff acceptable use policy states: My electronic communications with pupils, parents/carers and other professionals will only take place via work approved communication channels e.g. via a school provided email address or telephone number. Any pre-existing relationships which may compromise this will be discussed with the Senior Leadership team.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson / school trip / activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones or a similar device during the school day in front of pupils for work. Such circumstances may include, but are not limited to:

- Issuing homework, rewards or sanctions
- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

4.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes (educational visits).

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use school phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet

- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

The DfE's mobile phone guidance says that the use of mobile phones is prohibited throughout the school day.

Pupils must not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes, unless explicitly authorised by a member of staff (for example, for a specific medical reason).

Our approach to pupils bringing mobile phones is that staff will collect mobile phones on arrival, keep securely and hand phones back to the children at the end of the day.

If there is a specific reason why pupils need to access their phone during the day, this will be discussed between parents/careers and the class teacher

Pupils will be taught the risks that are associated with the use of mobile phones, both in school and more broadly, to ensure they understand the decision to prohibit the use of mobile phones throughout the school day. These risks can include a loss of focus in lessons, classroom disruption and an increase in bullying. Pupils will be encouraged to see a mobile-phone free environment as desirable and valuable.

5.1 Use of smartwatches by pupils

The DfE's statutory [mobile phones guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smartwatches have wellness and health-related features.

In line with our approach to the use of mobile phones by pupils, staff will collect smartwatches on arrival, keep securely and hand them back to the children at the end of the day.

5.2 Exceptions for special circumstances

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances. Permission will only be granted where there is a documented safeguarding or medical necessity. To request such permission, pupils or parents/careers should contact the headteacher.

Any pupils who are given permission must then adhere to the school's [code of conduct / acceptable use agreement for mobile phone use (see appendix 1).

5.3 Sanctions

If a pupil is in breach of this policy, this will be viewed as non-compliance at level 4 or 5 in line with our behavior policy and meetings will be arranged with parents/careers with the possible outcome being that the pupil will not be allowed to bring mobile phones/smartwatches into school.

In each case, the sanction given will be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs (SEN), disability)

- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in [Keeping Children Safe in Education](#). This will include speaking with the designated safeguarding lead (DSL) or deputy, who will consider if pastoral support, an early intervention, or a referral to children's social care, is appropriate

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents are encouraged to reinforce and discuss this policy at home as appropriate, including the risks associated with mobile phone use and the benefits of a mobile phone-free environment.

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school event), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, when working with pupils or while children are present

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 5 above, but must refer any sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing mobile phones to school must ensure that their phones are appropriately labelled, ready to be stored away secure in the classroom when not in use during the school day.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils

- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations

If there are any concerns regarding this policy, these should be brought to the attention of Mr Cornes (headteacher) in a timely manner.

9. Appendix 1: Code of conduct / acceptable use agreement for pupils allowed to bring their phones to school due to exceptional circumstances

You must obey the following rules if you bring your mobile phone to school:

1. You may not use your mobile phone throughout the school day, including lesson times, in between lessons, breaktime and lunchtime, unless a teacher specifically allows you to for a specific reason.
2. Phones must be switched off (not just put on 'silent').
3. You must label your phones
4. Don't share your phone's password(s) or access code(s) with anyone else.
5. Don't use your mobile phone to bully, intimidate or harass anyone or otherwise to act in breach of the school's [behaviour policy]. This includes bullying, harassing or intimidating pupils or staff via:
 - a. Email
 - b. Text/messaging app
 - c. Social media
6. Rules on bullying, harassment and intimidation apply to how you use your mobile phone even when you aren't in school.
7. Don't use vulgar, obscene or derogatory language while on the phone or when using social media. This language is not permitted under the school's behaviour policy.
8. You must comply with a request by a member of staff to switch off, or hand over, a phone. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly.
