*“Every child, every minute, every hope.”*

---

Dear Parents/Carers,

You may be aware from media coverage that the government has asked some schools to close or partially close due to the presence of reinforced autoclaved aerated concrete (RAAC) in their school buildings. We understand that this is an unsettling news story and that it may naturally have led you to wonder about the safety of our school building.

The school can confirm that we have complied with all necessary inspection requirements, no further action is required, and the life of the school will continue as normal.

I hope that this provides reassurance, and we look forward to welcoming your child to our safe and secure learning environment on Wednesday 6<sup>th</sup> September.

If you have any questions, please contact the school office

Kind regards,

Mr Cornes
